

Welcome to the 27th Annual National Sweepstakes Convention

July 28 - 31, 2016

Tuscany Suites
Las Vegas, Nevada

What is in my registration packet?

1. Convention Badge

If this is your first convention, your name badge will have casino themed stickers. You must wear your badge during all convention activities and in the vendor room. NO BADGE = NO ADMITTANCE

2. One sheet of 80 name stickers

These stickers are to be used on your upgrade tickets and on the vendor promotion tickets. If you run out of stickers, you may use small return address labels as long as the label is smaller than the ticket.

3. Session Tickets

You will have 10 white Pick-A-Prize tickets. They tend to stick together so make sure you separate them. These will be used Thursday night for the Convention Kick-Off Party. You can fold, crimp, scrunch, smooch and lucky rub any way you wish. You can use all your Pick-A-Prize tickets for one prize or spread them out. It's up to you how you want to enter them. See listing for probable prizes

You will have 6 different colored laminated Session Tickets. Friday Morning, Friday Afternoon, Saturday Morning, Saturday Afternoon, Banquet and Sunday Morning. These tickets have your name and barcode on them. **DO NOT bend, fold or alter these cards in any way or you will be disqualified.**

You will have a banquet table card with your name on it. Starting Friday afternoon in the vendor room, you will bring your card to the banquet reservation table. There, you will be assigned a banquet table number. If you have a group of friends that would like to sit together, everyone should give their card to one person who will make the reservation for the group. Each table has 10 seats. The reason the reservation table is not open until Friday afternoon is that you have some time to make new friends that you might like to sit with. Don't forget to consider newbies who may be travelling alone and may be looking for a new friend to sit with.

If you purchased additional banquet guest only meals, you will also have a name tag for your guest, a banquet table reservation card and a banquet guest only drawing card for a special guest only drawing.

4. Upgrade Tickets

If you purchased upgrades online, you will receive an envelope containing your tickets and an invoice of your purchases. Post Card Stamps, Pre-Stamped Post Cards, Forever Stamps, Gift Cards and Cash Upgrades will use the business card

tickets. Place your label on the business card sized tickets and drop them in the appropriate boxes in the vendor room. The pink double sided tickets are for the High Roller upgrade. **DO NOT** use labels or write on these tickets. Doing so will result in disqualification. Fold the tickets in half along the perforation and drop one side of the tickets in the box in the vendor room and keep the other half. During the banquet the High Roller winners will be called by ticket number, so make sure to deposit one side of the tickets and keep the other half. **AGAIN, DO NOT USE LABELS OR WRITE ON THE PINK DOUBLE SIDED TICKETS. YOU WILL BE DISQUALIFIED**

5. Meet a Newbie Bingo

During the Thursday night kick off party, there will be a fun little game to help everyone mix and mingle with the newbies. Instructions are on the paper.

Convention Guidelines

- We don't want to miss the opportunity to see you win, so you must be present to win all prizes, except for win by donating.
- If you are late for a session and miss a prize or a giveaway, then you missed that prize or giveaway. You will not be able to claim that item.
- If you win a prize that you do not want, you can re-donate it to the convention or try to trade it in the prize trade/sale on Sunday. We will not be able to substitute for a different prize.
- You must wear your badge at all convention activities ~ NO BADGE=NO ADMITTANCE
- Car Drawing tickets will be drawn by number - DO NOT include a name or sticker, a sticker will result in disqualification
- Please use your name stickers on your other entries
- Paper tickets can be folded in any way that you would like, but do not bend or fold your laminated entry cards
- Please leave your cell phone on during sessions! We don't want you to risk missing a win, but please leave your phone on silent. If you receive a call, take your phone outside of the room to answer.
- Personal photography, videotaping or recording of any kind during the convention is prohibited without the express permission of the subject(s).
- Be courteous when the speakers are presenting. Please do not use the wifi in the convention room while a speaker is presenting. Frequently, they need it for their presentation and 700 people on Wifi at once slows things down.
